# Mobile App FAQ's

### Where can I download the Duval County Public Schools app?
You can download it from the App Store, Google Play, or QR Code

### Where can I see my messages?
Go to Notifications.

### What's in the Resources Folder?
The Resources Folder has five other folders inside: Parents, Students, Staff Community & FAQ's. Each folder will have important documents and information.

### Where can I find a principal's contact information?
Go to Directory, and you will find a list of our schools. Once you select your school, you will access the school's contact information as well as the staff and teachers assigned to that school.

### What is Tip Line for?
Tip Line is used

### What if I want to follow more than one school?
To follow multiple schools, you can go to Settings and select the schools you would like to follow.
