Rule 6A

The following assessments are only intended for selected students/students in certain sub-groups. The FDOE will complete this section with the applicable statewide assessments. Districts should then populate the _____ column for the assessments in the table below but should not modify any FDOE-provided information. If an assessment is not being administered in your district, indicate "N/A" in the District Window column.

Because the tests included in this section are not administered to all students or, in some cases, are optional for students, the testing time for these tests should not be included in the total testing time calculated in Section 6.
